Student B

Read about Laura's daily routine.

Laura is a web designer. She works from home. She usually gets up at about nine o'clock. She has a long morning with big breakfast of fruit, porridge and orange juice. Then she works.

She usually goes for a lunch to a local restaurant with a friend or a client. In the afternoon she goes shopping and swimming.

She works again in the evening. Sometimes, she goes to bed after midnight because she likes working at night. She loves her job very much.
